

## SKU: CBMATE

This unique, heavy-duty electronically operated lift makes it easy for anyone to move and install wall mounted and trolley mounted 55-90" CommBox Touchscreens.

Eliminating the need for manual lifting, not only does the CommBox Installation Mate greatly reduce the possibility of personal injury, it provides a secure and simple means to moving and lifting CommBox Touchscreens that is both safer for the installer and the product.

240V or battery operated with black powder-coated aluminium and castors for assistance maneuvering, the CommBox Installation Mate is specifically designed to take the hardwork out of installations.
